Section 1
Description of the Proposed Calendar Change:
Rationale of the Proposed Calendar Change(s): (Corresponding to Section 2 where required)
<div style="border: 1px solid black; padding: 5px; margin-bottom: 10px;"> <input type="text"/> </div> <p>Many of these courses have been in practice recognized as Arts and/or Science electives for majors and minors. Including them in the appropriate section of the calendar will simplify things for current and potential students, as well as the Registrar. It will also for the first time incorporate language and art courses which potential students have increasingly inquired about.</p>
