LAKEHEAD UNIVERSITY

The Department of Physics recommends the renewal appointment of Dr. Patrick Rapley as an Adjunct Professor.

As an Adjunct Professor with the Department of Physics, Dr. Rapley will supervise or co-supervise graduate or undergraduate students, contribute to other scholarly pursuits of the department, and facilitate the pursuit of independent research. In lieu of a May 2009 meeting the Faculty of Science & Environmental Studies Executive passed the following motion by email that: "Dr. P. Rapley from the Thunder Bay Regional Health Sciences Centre have his appointment renewed as an Adjunct Professor with the Department of Physics". Dr. Peter McGhee has provided a statement of support as Dr. Rapley's immediate supervisor.

I confirm the request and support the decision of the Department of Physics to have Dr. Rapley renewed as an Adjunct professor for the four year term of July 2010 to June 2014.

Sincerely,

Dr. Andrew P. Dean
Dean, Science & Environmental Studies
