Dr. Mary Ann Mountain was approved by the Faculty of Health & Behavioural Sciences Directors Committee on September 17, 2009 for renewal as Adjunct Professor to the Department of Psychology. We request a four-year term, retroactive to July 1, 2009.

Her proposed activities in the Psychology Department are outlined in the memorandum from Dr. Hayman.

We request that this recommendation be put forward to Senate for approval. A copy of Dr. Mountain's Curriculum Vitae and additional required documentation are attached for your review.
