LAKEHEAD UNIVERSITY

The Department of Physics recommends the appointment of Dr. Jae Kim as an Adjunct Professor.

As an Adjunct Professor with the Department of Physics, Dr. Kim will supervise or co-supervise graduate or undergraduate students, contribute to other scholarly pursuits of the department, and facilitate the pursuit of independent research. During the Faculty of Science & Environmental Studies Executive meeting on April 8, 2010 the motion that: "Dr. Kim of the Thunder Bay Regional Research Institute be appointed as an Adjunct Professor with the Department of Physics", was unanimously passed. Dr. John Rowlands, Founding Scientific Director of Research for the Thunder Bay Regional Research Institute, on April 30, 2010 provided a statement of support for this appointment as Dr. Kim's immediate supervisor.

I confirm the request and support the decision of the Department of Physics to have Dr. Kim as an Adjunct professor for the four year term of July 2010 to June 2014.

Sincerely,

Dr. Andrew P. Dean
Dean, Science & Environmental Studies
