

## MEMORANDUM

(807) 343-8615(807) 343-8156  
registrar@lakeheadu.ca

**Date:** April 27, 2010

**To:** Karen Roche, Secretary of Senate

**From:** Brenda Winter, University Registrar

**Subject:** Rationale for removal of February Courses Policy

---

Lakehead has not offered February session courses for high school intake since Winter 2001.

Rather than attract high school applicants these courses were being used by currently enrolled students who needed a 'new start' on the full year offering in order to pass the course.

Should it be necessary to have specific sections start later than the traditional January date for Winter term - for example in Community Based programs, or for special populations, - we can accommodate those alternate start dates within the traditional Winter term.

---

Brenda Winter, University Registrar
