Dear Dr. Hayes,

Dr. William Montepare has tendered his resignation from the School of Kinesiology, effective as of June 30. In turn, I am writing today to inform you that Dr. Montepare has accepted an invitation for an Adjunct Professor appointment for a four year term effective July 1, 2010-June 30, 2014.

Importantly, this Adjunct appointment will allow him to continue to play an important role in the supervision of undergraduate and graduate students, as well as to continue his scholarly pursuits and program of independent research within the School.

Should you have any questions about this recommendation, please feel free to contact me.

Sincerely,

Lori A. Livingston, PhD  
Dean
