Re: **Re-Appointment of External Adjunct - MPH PROGRAM**

We are recommending the reappointment of Mr. Lee Sieswerda as an External Adjunct to the Master of Public Health Program. Mr. Sieswerda's previous appointment expired June 30, 2009. We request a four-year term retroactive to July 1, 2010.

Mr. Sieswerda's proposed activities in the MPH Program will include teaching a new Epidemiology course in Winter 2011 and other scholarly activities. We request that this recommendation be put forward to Senate for approval. A copy of the candidate's Curriculum Vitae is attached.

Thank you.

Lori A. Livingston, Ph.D.
