Section 1

Description of the Proposed Calendar Change:

Change of WS Calendar Entry to coincide with previously approved History Department MA Calendar Change.

Rationale of the Proposed Calendar Change(s):

(Corresponding to Section 2 where required)

In the spring of 2009 the Department of History changed the name of one of its MA options from Cognate Paper to Major Research Paper. The calendar change entry which was subsequently approved by OCGS and Senate did not include a parallel change of wording for the calendar entry for students in the MA History with Specialization in Women's Studies.

The proposed calendar will amend this earlier oversight. There are no changes to program requirements and no budgetary implications.
