Section 1

Description of the Proposed Calendar Change:

New regulation for students who do not have minimum average to remain in an Honours program.

Rationale of the Proposed Calendar Change(s):
(Corresponding to Section 2 where required)

1

Students who are in four year honours programs but whose average falls below the minimum requirements will be moved to a four year non-Honours degree by the Registrar's Office. Normally students can remain in an Honours program on probation for one year. If they are unable to clear this probation they will be moved to the non-Honours program. This change is being introduced to ensure that more students graduate with four year degrees.
