Section 1
Description of the Proposed Calendar Change: Change in Area requirements for HBASc and BASc
Rationale of the Proposed Calendar Change(s): (Corresponding to Section 2 where required)
<p>1</p> <p>Several students in HBASc and BASc Concurrent Education programs would like to take a few courses in Gerontology but are unable to do so since they are restricted to a maximum of 2 FCEs from Area III, where Gerontology currently is listed. Since Education courses are also designated as Area III courses (as are Business and Social Work), Concurrent Education students use up their 2 FCEs of open electives via Education and are prevented from taking additional courses in these areas.</p> <p>We are proposing to move Gerontology into the Area I (Arts) grouping for Interdisciplinary Studies since the subject matter is similar to the Arts courses in Sociology, Psychology, and Anthropology.</p>
