Section 1
Description of the Proposed Calendar Change:
Rationale of the Proposed Calendar Change(s): (Corresponding to Section 2 where required)
<input type="text"/> <p>Rationale for this new course: This course was developed in our department last year at the second year level as to give more choices to our students and to develop their ability to analyze literary texts. Based on a history of women's writings from the Middle Ages to nowadays, this course seeks to develop an awareness of women's social and political struggles in France. In its Academic Plan, Lakehead University has identified a need to create new courses on critical thinking across the curriculum. The reviewers of our Department have also advised us to develop additional courses that would further stimulate the acquisition of vocabulary, communication and critical thinking skills of our students at the first, second and third year level. Therefore, given at the third year level, this course promises to be well adapted to the needs of our students and we wish to cross list it with the Department of Women Studies as this topic fits its program and would serve Francophone students outside our department well.</p>
