Re: Enhanced Forest Resource Inventory – Knowledge Transfer and Tool Development Program 2015

On behalf of the Forestry Futures Committee (FFC), I am pleased to invite you to participate in the enhanced Forest Resource Inventory – Knowledge Transfer and Tool Development Program (eFRI – KTTD) call for proposals. The eFRI – KTTD program has up to \$1,000,000 to allocate to eligible projects.

Details of the program can be found in the attached documents and all forms are available on the Forestry Futures website (www.forestryfutures.com). Please submit applications electronically including signatures to the Forestry Futures Trust Committee (admin@forestryfutures.com).

Should you not be in a position to apply in this first call for applications, but would be willing to be considered as a member of a review team please forward your contact information to the Chair, Maureen Kershaw, Forestry Futures Trust Committee c/o (admin@forestryfutures.com).

All information contained in your Project Application and supporting documentations are considered public information subject to the application of the Freedom of Information and Privacy Act R.S.P. 1990. c. F. 31, and is collected under the authority of the Act.

If you have any questions concerning the application process, or wish to update your business contact information, please contact Tracey Bradley, FFC eFRI Program Coordinator, at (807) 343-8851 or tracey.bradley@forestryfutures.com.

Yours sincerely,

Dr. H. Maureen Kershaw, R.P.F.
