

Research & Innovation
WEEK MARCH 2 - MARCH 9, 2018
Lakehead University

FINTech Panel Event

FINTech can refer to many of the technologies that are currently disrupting banking, investing, fundraising, insurance and many other activities in the finance sector. This event will present a few ways in which technology is changing the field, and cast light on future developments and challenges.

6:00 pm - 7:00 pm: Registration and Networking

7:00 pm - 8:00 pm: Guest speakers to present their specialized talk.

8:00 pm - 9:00 pm: Round table discussion, question and answer period using a moderator/panel format

PANELISTS

Paul Chappel
