

International Development Week

FEBRUARY 1-7, 2015

Engage and make
a difference!

RESRG

Resources, Economy, and Society Research Group

RESRG at Lakehead University is funded by the Social Sciences and Humanities Research Council, and was founded as a means of building research capacity by encouraging new research activities among faculty with diverse interests and experience. Focusing on issues related to local, regional, and global development, our research group brings together scholars working on issues pertaining to Canada and the world.

Monday, February 2, 2015
