Pathways to Termination: Clinical care and access to abortion in Canada

Date: **March 20th, 2025 (Thursday)**
Time: **12:00 pm to 1:00 pm**
Speaker: **Dr. Jen Chisholm**
Location: **AT 3004**

*Cookies and Hot Drinks (coffee and tea) will be
free for attendees.*

Termination of pregnancy for medical reasons is an essential health care service. Care pathways for patients vary across Canada, especially regarding the circumstances under which termination is offered and details regarding provision. This talk will explore research conducted within 10 Maternal-Fetal-Medicine centres in Canada and recommendations for increasing access, transparency and continuity of care, particularly for second and third trimester termination.
