

GWS 2025 Spring/Summer Courses!

WOME-1100-SDE: **Madonna to Madonna**

Online Course (Web) / May 1st to July 28th, 2025 / Instructor: Dr. H. Morgan

Course Description:

An interdisciplinary introduction, the course explores intersections of gender, race, class, sexuality, ability, age and other socially/historically shaped dimensions of identity. Discussions will include such topics as media, health, work, poverty, body and sexuality, violence, law and creativity, in local and global contexts.

Credit Weight: 1.0

WOME-4110-ADE/ SOCJ-5011-ADE: **Gender & Climate Activism**

Online Course (Web) / July 2nd to August 13th, 2025 / Instructor: M. Dudeja

Course Description:

This course examines the intersections of masculinity, gender-focused climate activism, and social justice, emphasizing decolonizing climate advocacy. Students will explore how different masculinities contribute to environmental issues and the role of feminist advocacy in climate action. Through readings, discussions, and hands-on projects, they will develop skills to analyze, strategize, and advocate for gender-responsive climate solutions. The course fosters collaboration and real-world application by emphasizing activism and advocacy for inclusive and equitable climate policies.
