

OPEN HOUSE

DECEMBER 3, 2019

WELCOME TO LAKEHEAD'S OPEN HOUSE!

Today you'll have the chance to design your own schedule for the day based on your interests. Follow this step-by-step guide to creating your optimum Open House experience. Use the pen and blank schedule (the one on the back of your campus map) in your bag to write down your plans.

- 1 Check the colour of your **Lunch** voucher, and fill in your schedule with the correct time. (Red = 11:00 AM, Yellow = 11:45 AM, Orange = 12:30 PM)
- 2 Choose which **Interactive Academic Program Session(s)** you'd like to attend (see reverse for the times and full descriptions). Write them into your schedule. We recommend choosing 2-3 Academic Program Sessions.
- 3 Select a session or two from one of the **Discovery Sessions** (listed at the bottom of this page) and write them into the remaining free time slots on your schedule. We recommend choosing 1-2 Discovery Sessions.
- 4 Then at 2:00 pm, we'll all meet up again for the **Prize Draws** in the Outpost. You need to participate in 4 sessions and collect your session stamps to qualify for the grand prize draw.
- 5 Share your Open House adventures on social media: **#MyLakehead**
- 6 This schedule is available online. To download an electronic version, visit: www.lakeheadu.ca/openhouse
