

LAKEHEAD UNIVERSITY ARTICULATION AGREEMENTS

CONFEDERATION COLLEGE

Confederation College Environmental Technician → Lakehead Honours Bachelor of Science (HBSc) Water Resource Science

Offered at the Thunder Bay Campus

The Water Resource Science program provides you with the knowledge and skills necessary to enable you to work on water-related issues from a firm scientific background. With the university's close proximity to boreal forests and the world's largest freshwater lake, the program takes advantage of this natural laboratory to provide students with extensive and comprehensive hands-on field experiences.

Confederation College Environmental Technician → Lakehead Honours Bachelor of Science (HBSc) Water Resource Science

Admission Requirements

Graduates from Confederation College's 2-year Environmental Technician diploma program with a minimum overall "B" (70% or 3.0 GPA) average, may transfer into year 2 of the Honours Bachelor of Science (HBSc) Water Resource Science program.

Careers

As a graduate of the Water Resource Science program, you will have the training and expertise necessary to work for both the private sector and government in areas related to environmental monitoring, remediation, and water supply and contamination.

Applications to these programs can be made with a 105D Application form obtained from the Ontario Universities' Application Centre (OUAC): ouac.on.ca
