

Estimated Number of Aboriginal Students attending Lakehead University

■ Estimated number of Lakehead students who are Aboriginal
— Estimated proportion of Lakehead students who are Aboriginal

* Numbers and proportions of Aboriginal students are estimated from a voluntary self-declaration survey.
 * The number and proportion of students self-declaring can vary from year to year and is dependent on factors such as the promotion of the self-declaration survey as well as external influences.
 * Total estimated number of Aboriginal students is dependent on overall enrolment and will fluctuate in accordance with overall enrolment trends.
