

Senate Academic Committee

TO: Karen Roche, Secretary of Senate

FROM: Dr. Douglas Ivison
Chair, Senate Academic Committee

DATE: January 8, 2015

SUBJECT: **Senate Academic Committee Report– January 19, 2015**

The Senate Academic Committee (SAC) met on December 12, 2014.

1. SAC Quality Assurance Sub-Committee

SAC QA reported to SAC that the request BABEd.GENE.PJ (2014-EDU-3055) was removed from the workflow by the initiator. This is an item of information for Senate.

SAC QA reported to SAC that the request BENGDIP.ELEC (2014-ENG-4419) is the result of the original Engineering request (2014-ENG-3181) being split. This request was approved June 19, 2014. As the splitting resulted in no changes to the original request the approval stands. The request will be forwarded to the next committee. This is an item of information for Senate.

Respectfully submitted,

Dr. Douglas Ivison
Chair, Senate Academic Committee
