

Disclosure of Personal Information - Posting of Student Marks

Policy Category:
Student Related
Approved By:
Senate
Effective Date:
June 4, 2007

The posting of any student mark (~~i.e.g. assignments, tests, final exams~~) must be done in a way that protects the privacy of the student to whom the mark belongs. Posting should ~~preferably~~ be completed through ~~Lakehead University's secure on-line myInfo~~ "Marks Management" ~~or Desire to Learn (D2L) "Grades" system~~. Posting grades by name and/or student identification number in printed lists or posting grades through email do not protect students' privacy and so are not acceptable methods of posting marks.

~~or by identification number in circumstances in which others may be able to identify the student to whom a number belongs, and/or posting grades through email, do not protect students' privacy and so are not acceptable methods of posting.~~
