

MEMORANDUM

To: Barbara H. Eccles, Secretary of Senate
From: Qing-Lai Dang - Chair, Senate Nominations Committee
Senate Meeting Date: March 21, 2016
Subject: Senate Nominations Committee Report

The Committee met at 3:00 PM on Thursday March 10, 2016. The primary task of the meeting was to fill vacancies in Senate standing committees. As a result of the enthusiastic responses from faculty members to our call for interest to serve, the Committee was able to fill vacancies in most of the standing committees. The list of our recommendations is provided to you by the Secretary of the Senate as part of the meeting materials. However, we will have to send a second call for interest to serve for the following committees partially because of the lack of interest in response to the first call, and partially to ensure balanced committee membership:

- Continuing Education and Distributed Learning Committee
- Undergraduate Scholarships and Bursaries Committee
- Undergraduate Studies Committee
- Academic Information Technologies Committee
- Academic Committee
- Teaching & Learning Committee
- Research Committee (NSERC)
- Budget Committee

[Click here to access details on the second call for nominations.](#)

It is our goal to fill the vacancies on the above committees before the end of April.
