

**Project Evaluation Form: Research and Creative Projects.**

Student name:

Student ID:

Program Stream:

Title of Project:

**Evaluation / comments:**

Please provide a written evaluation to help with program assessment. Please comment on the student's ability to find and use relevant primary and/or secondary scholarship, to pose a research question and / or thesis, to answer the question or support the thesis. If a creative project, please comment on the student's ability to produce a creative work that address a social justice issue and produces a finished product that is engaging, challenging, impactful, or effective in other ways. If noteworthy, please also comment on the student's process, their ability to meet deadlines, and to effectively write-up, create, and present their findings. Evaluations may be completed on the second page of this document if the space below is insufficient.
