Learn about the MA in Social Justice Studies at Lakehead University, Thunder Bay and Orillia Campuses. Sessions will explain the application process, the program structure, provide examples of student work, and post-graduation options. Participants will also get to meet program faculty and staff.

After registering, you will receive a confirmation email containing information about joining the meeting. Both sessions will cover the same material and the sessions will be recorded. If you are unable to attend, we still encourage you to sign up since this will give you access to the recording. To find out more about our program, please scan the quick response code below:
