

Supervisor Approval Form: Due Feb 15th.

Instructions: Please complete the required information and submit to the Graduate Program Advisor in SJS (admin.socialjustice@lakeheadu.ca). Please have the supervisor sign and date the form. Approval of the Supervisor does not guarantee approval of your project proposal. Following the approval of your supervisor, the next step is, in consultation with your supervisor, to develop a research / creative / practicum proposal to submit to the SJS Advisory Committee for approval. Practicum supervisor can be the Program Advisor unless there is a faculty member closely associated with your practicum placement. Proposals are due July 2nd.
