

April Jones, the Aboriginal Liaison Advisor at the Orillia campus, has had meetings with various Education Managers from local First Nations, Ogemawahj Tribal Council Education Advisor and Rama Culture and Research Department.

On January 18th, Ontario Works students from Rama came for a campus tour and information session.

The Elders' Traditional Teaching Series continues: 32 people attended the first session (Women's Traditional Roles with Elder Gertie Beaucage) and 41 people attended the second session (Men's Traditional Roles with Elder Vern Altman). A poster for the entire series is attached.
