Dear Ms. Mosquito:

As a result of your memo dated September 28, 2009 to the Aboriginal Management Council, now called Ogimaawin-Aboriginal Governance Council (O-AGC), research has been ongoing and a final report entitled "Retention & Recruitment of Aboriginal Faculty at Lakehead University" is complete. Analysis of the responses collected in this study resulted in a number of recommendations to address recruitment and retention of Aboriginal Faculty, researchers, scholars, staff at Lakehead University. Please know that the research design and collection of information was conducted carefully and well executed.

At the regular meeting of the Ogimaawin-Aboriginal Governance Council held on February 25, 2013, the Council approved the recommendations in this report and the recommendations were forwarded to the President.

Once again, thank you for bringing this issue forward.

Yours Sincerely,

Nancy Bouchard, Chair  
Ogimaawin-Aboriginal Governance Council
