Attention: Ogimaawin/ Aboriginal Governance Council

Please be advised that Tanis Thompson will no longer be representing the Ontario Native Women's Association on the Ogimaawin Governance Council. She has accepted a new position within our organization.

Therefore, we are requesting that Loretta Collins, our new ASETS Coordinator replace Tanis Thompson as the ONWA representative on the Governance Committee. She will be assuming the duties associated with this position effective immediately. As this is the Ogimaawin Governance Council orientation, we feel this is an opportune time to make this adjustment.

If you have any questions or concerns regarding her placement on this committee, please feel free to contact her supervisor, Ingrid Green, Program Manager of Services directly.

Respectfully,

Erin Corston
Executive Director
