### INSTITUTIONAL MEMBERSHIP

Annual Benefits 2020/2021

Your institutional membership with Lakehead University Centre for Health Care Ethics (CHCE) will strengthen knowledge of health care ethics in your organization and foster a responsive ethical climate for decision-making and quality care. Membership (May 1 to April 30) welcomes you as part of a diverse community of ethics champions and allows eligibility for the following benefits (*worth over \$6,500*):

- Access to current research and evidence-based health care ethics resources.
- 4 hours of support\* to institutional Ethics Committee or Research Ethics Board (*\$1,000 value*).
- Opportunities to propose, collaborate on, and engage in research projects of mutual interest and to network with research affiliates and other members.
- Priority invitation to our health care ethics education series, *Encounters in Bioethics*, with a yearly save-the-date schedule provided; normally 8 sessions/year. Education certificates available upon request.
- Archived webcasts and presentation materials of *Encounters in Bioethics* sessions available exclusively to institutional members upon request (*approx. \$2,000 value*).
- Access to CHCE's *Health Care Ethics Orientation Handbook*, an invaluable e-resource.
- An individualized ethics education workshop exclusively for staff of your organization (*approx. \$2,000 value*).
- Priority access to CHCE workshop registration and a discounted registration fee.
- Access to health care ethics advisors.
- 6 hours of ethics education/consultations\* (*\$1,500 value*).
- Access to bi-annual e-newsletter, *The Compass*.
- Invitation to appoint an organizational representative to the CHCE Advisory Council.
- Connections through organizational peer mentorship initiatives.

*\*On-site services require reimbursement to CHCE of travel/accommodation costs.*
