

INSTITUTIONAL MEMBERSHIP ANNUAL BENEFITS INCLUDE

| RESEARCH | EDUCATION | CAPACITY BUILDING |

Your institutional membership with the Centre for Health Care Ethics (CHCE) will strengthen knowledge of health care ethics in your organization and foster a responsive ethical climate for decision-making and high quality care. CHCE membership (May 1 to April 30) welcomes you as part of a community of ethics champions and allows eligibility for the following benefits:

RESEARCH

- Current research and evidence-informed resources at your fingertips! As the 1st Canadian Unit of the International Chair in Bioethics, the CHCE has connections around the world to leading experts on contemporary issues in health care ethics.
- 4 hours of ethics support for your organization's Research Ethics Board (REB) or Ethics Committee, also see below. (\$1,500 value)
- Opportunities to propose, collaborate on, and engage in research projects of mutual interest and to network with CHCE research affiliates and membership community.

EDUCATION

- Priority invitation to our health care ethics education series, *Encounters in Bioethics!* Your organization will receive an e-invitation to every session, with a save-the-date schedule provided; normally 8 sessions/year. Education certificates are available as a valuable addition to your employees' continuing professional education/development.
- Live and archived presentations of *Encounters in Bioethics* sessions; recordings are available exclusively to our institutional

955 Oliver Road
Thunder Bay, ON

members. (\$2,500 value)

- CHCE members' exclusive access to the *Health Care Ethics Orientation Handbook* and other invaluable e-resources available upon request.
- An individualized ethics education workshop* exclusively for staff of your organization. (\$2,500 value)
- Priority access to CHCE workshop registration and a discounted or free registration fee (\$750).
- Member health care ethics advisors. The CHCE has ethics expertise to provide guidance and support tailored to your organization's diverse needs and specific questions. For our members, support is just a phone call or email away!
- 6 hours of ethics education/consultation. (\$3,000 value)
- Support for your organization's Ethics Committee, also see above. This could include assistance in the formation of an ethics committee, compiling evidence for Accreditation Canada, or updating/creating an ethics framework, policy, and procedures.

CAPACITY BUILDING

- Your organization will be proudly recognized on our website and letterhead to identify your commitment to high quality ethical care.
- Members receive an informative, bi-annual e-newsletter, "*The Compass*" to share with all staff throughout their organization.
- Members are invited to appoint an organizational representative to the CHCE Advisory Council, which offers opportunities to learn from and about the CHCE member community.
- CHCE organizational peer mentorship initiatives. Upon request we connect our members with one another to provide peer guidance and support for ethical issues in practice.

**On-site services require reimbursement to CHCE of travel/accommodation costs.*

For more information about your CHCE institutional membership with benefits worth over \$10,250 please visit <http://chce.lakeheadu.ca>, email chce@lakeheadu.ca or call us at 807-343-8010 ext. 8126. Also, connect with us on Facebook: <https://www.facebook.com/chcetbay/>
