Attendance: Students are expected to attend every class and on time. Being late to class is disruptive and disrespectful to the instructor and your peers. Furthermore, coming to every class greatly increases your chances in being successful in this course.

Assignments: Working regularly on the assignments is essential for success in this course. Students are also strongly encouraged to do as many problems on their own as their time permits from the extra practice problems.

Penalty for Late Assignments:

Late	Deduction	Late	Deduction
Less Than 1 Day	10%	More than 3 Days	100%
Between 1 and 3 Days	20%		

Exams: The MidTerm Exam will be on **Thursday, February 16th, 2023**. The Final exam will be scheduled by the registrar. Students who will not be able to write these days for a valid reason, e.g. religious or illness (medical note is required), must inform Lisa or Fionna and myself. An alternative plan will be conjured to ensure you have equal opportunity as your peers to be assessed.

Course Withdrawal: The final date that you may drop this course without academic penalty is Friday, March 10th, 2023.

Labs: The labs will be designed as a help session. Even if you do not require assistance, use this time in the classroom to complete your assignments and additional practice problems. This way, if there is a question or concept that you need help with, I am within arm's reach to assist you.
