

Department of Physics Thesis Defense Presented by:

# TRISTEN T. THIBAUT

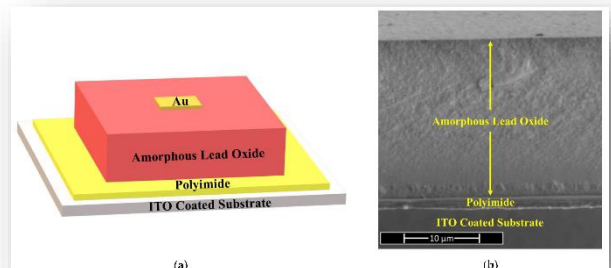

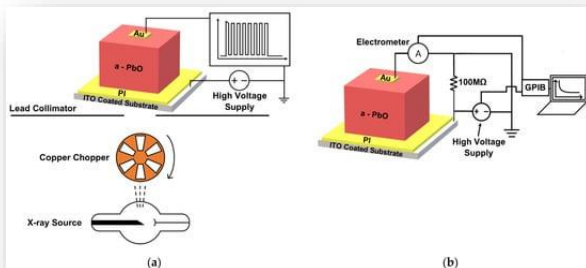

Physics MSc Candidate, Lakehead University

Thursday, DECEMBER 8, 2022

1:00 PM in CB 4056 or Zoom

Dark current modeling and characterization  
of amorphous lead oxide-based x-ray  
photoconductive devices for application in  
x-ray medical imaging

Supervisor: Dr. A. Reznik

Via Zoom

To participate email [areznik@lakeheadu.ca](mailto:areznik@lakeheadu.ca) or [kcarey@lakeheadu.ca](mailto:kcarey@lakeheadu.ca) for the link and password
