1.	New Course	History 2631 - Africa to 1400
----	------------	-------------------------------

Justification

This course has been taught on rotation with success for the past two years. The department plans on continuing to offer them in the future as it adds much needed coverage of African history to our calendar and curriculum. Fulfills an item from our last program review and in our department academic plan.

Course Details

Rationale The change is in response to registration issues and the need to clarify special permission requirements. Clerical issue. Due to some alterations during last years global prerequisite changes, some courses were inadvertently not included or, due to other simultaneous changes that were withdrawn, not altered. This change ensures all courses at this year level have the same prerequisite language.
