#### *COURSE DETAILS*

NEW COURSE FORM - The following is information that will be displayed in the University Calendar

What is the new Course Code? (provided by Academic & Curriculum Development Coordinator):	Sociology 5114 The code is the 'subject' plus the course number (e.g. "Biology 1110").
Title of New Course:	Masculinities and Men's Health
Course Description:	This course will explore the social constructions of masculinities and men's health by examining their impact on men's health status, health beliefs and negotiation of health across the life course. Using an intersectional framework, we will explore the nascent men's health studies movement and its impact on social and public health policy around the globe.

What is the pedagogical rationale for this request? Why are you submitting this request?:	We have offered this course successfully as special topics in the past, so we are making it a permanent offering, which also reflects new faculty teaching interests. Also this fits very well with our health, aging, and the body stream of focus. For example, is this change required for accreditation?
