The following is information for Senate Budget Committee Consideration

NOTE: Complete each section and provide full explanations for both "yes" and "no" answers. This will not be displayed in the calendar but will be used by the Senate Budget Committee when considering approval of this proposal. The creator of this proposal may be asked to attend a committee meeting to discuss this proposal. Contact the Chair of the Senate Budget Committee if you wish to discuss any of the questions below.

Will this request impact student enrolment in another program within the same faculty/unit?:

An elective course, so enrolment will fluctuate based on student demand. We anticipate between 15 - 25 students.

Will this request impact student enrolment in another program in a different faculty/unit?:

Our program is a direct enrolment program, so only our students are allowed to register without permission. As such, it will not affect other units.

Will additional resources be required (space, staff, equipment, etc)?:

No

How will this impact existing teaching loads within this faculty/unit?:

This is either part of a current faculty member's load and will not require new resources, or it may be taught by a sessional, but this too is already part of our budget. Additionally, elective courses will be rotated to account for our capacity to offer the courses and to ensure adequate enrolment.

What is the impact on the demand for teaching support services (library, computers, staff, etc)? :

There are no new services required that are not already supporting the course

Will this course require outside support? If yes, please outline the amount and timing of the funding:

no
