Pedagogical rationale for this proposal. Why are you submitting this request?:	OUTD 3390 will be split into two half courses, one third year Winter Term and one fourth year Fall term. This reflects the work that is being conducted by the students at the appropriate times. The fourth year HBOR elective credit was moved to third year to maintain the total number of HBOR electives required within the program. 4920 is being discontinued. The 1 FCE is being replaced by the requirement to take an additional half FCE on Outdoor Recreation at the fourth year level and an additional half FCE in Outdoor Recreation at the third or fourth year level. It appears in fourth year that we are taking away a History requirement but we are not.
