Pedagogical rationale for this proposal. Why are you submitting this request?:	We are finding that many students struggle to achieve the 70% required for the HBOR, and they have no alternative but to keep repeating courses to try and achieve the average, or increasingly, they are requesting to transfer into a BA General (which requires many exceptions to be made, as OUTD courses are not considered to be Social Science courses). Their final alternative is to quit university entirely. We would therefore like to create a non-honours fall back option. At the end of the third year, if a student's average is not 70%, they will be put into a BOR degree, which does not allow them to complete an Honours Thesis, a direct studies course, OUTD 4370, or to take our required fourth year placement course. Instead, they complete four 4th year OUTD electives and 3.0 FCE's open electives. Outdoor Recreation 4920 has been discontinued.
