What is the proposed fee?	1111 To increase tuition for students who elect to enroll in

what is the pedagogical rationale for this request? Why are you submitting this request?:

1))) to increase options for students who elect to pursue the course-based option. 2))) We are adding a course based option in order to reduce teaching overload and supervision required by faculty, to offer students more options to obtain an HBA, to increase the numbers of students graduating with an honours degree in Indigenous Learning, and to bring our program more in line with other programs at the university that already have introduced a course based four year honours degree. The introduction of a course-based option will also improve the accessibility of our program to students who come from different educational backgrounds and face a broad range of social and economic challenges. 3))) The addition of a course-based option and a community service learning option that are part of the load, will reduce overload teaching and supervision for faculty. For example, is this change required for accreditation?
