Pedagogical rationale for this proposal. Why are you submitting this request?:	<p>OUTD 4920 is being discontinued. The 1 FCE is being replaced by the requirement to take an additional half FCE in Outdoor Recreation at the fourth year level and an additional half FCE in Outdoor Recreation at the third or fourth year level. The changes for the Psychology courses relate to Psychology's calendar changes.</p> <p>Students in this degree pathway (HBOR therapeutic rec) are required to take more OUTD electives than students in the HBOR. They also have more required courses because of the emphasis on PSYC as such it can be a more difficult pathway for students to transfer into. The proposal attached and recommended changes were approved unanimously by ORPT faculty and staff.</p>
