09/13/2022, 09:28 AM	Women's Studies Department	Housekeeping and thus not a major modification. When Indigenous Learning added a course based HBA option, changes should also have been made to those degree programs that IL shares a double major with.

1.	New Version of a Degree	Honours Bachelor of Arts (Indigenous Learning and Gender and Women's Studies Majors)
-----------	--------------------------------	---

Justification

Housekeeping to include the changes (INDI-3501) Indigenous Learning made to their program when they added a course based HBA option for those degree programs that IL shares a double major with (INDI-4111 & 4112 were deleted). These changes should have been made when Indigenous Learning originally introduced the course based option. Offering the course based option reduces IL faculty workload tremendously and will help students with time to completion for the HBA. In submitting this request, GWS is ensuring that the Program Course description is the same as IL's.
