In order to attach the Proposal Brief, save your work first and then scroll to the top and select Supporting Documentation tab.

Pedagogical rationale for this proposal. Why are you submitting this request?:

~~Co-requisite added based on suggestions from our Cyclical Review to ensure that every student using the space is adequately prepared with the appropriate government requirements for being in a workspace (WHIMS, AODA) and had basic understanding of health and safety protocols for studio spaces in order to keep everyone safe and to make sure everyone know where to find info on hazardous materials, how to use eye wash stations, etc~~ We currently offer 4 Visual Arts degrees (with a 5th degree under consideration) and we want to change the second year studio course offerings for all of our degrees. The reason for this is two-fold: we're updating our studio curricula in light of our 2018 cyclical review and recent shifts and changes within the discipline; we also have enrollment issues which have resulted in the bundling of many second year studio courses with 3rd and 4th year studio courses.
