Pedagogical rationale for this proposal. Why are you submitting this request?: ~~We are uncross-listing this course for the following reasons: • In the last three years we have had several faculty members retire, and the deletions/changes reflect our changing expertise. • Our department has many courses on the books that we are unable to teach on a regular rotational. These changes/deletions help us to make our curriculum/offerings more manageable and less repetitious. For example, several of these courses (INDI 2331, 2317, 3233) are very similar to other courses at the same year level that remain on the books. • In response to recommendations from our recent program review, we are de-cross-listing courses. The reviewers expressed concern that we were offering too many courses not owned by our department or taught by our faculty. reinstating for one more term.~~
