Dr. Glenda Bonifacio
Dean, Faculty of Social Sciences and Humanities
Lakehead University

Dear Dr. Bonifacio

This letter requests that Dr. Tom Peotto be appointed as an external adjunct in the Department of History. As the attached c.v. indicates, Dr. Peotto is a recognized expert in Canadian History, and members of the Department of History have expressed unanimous support for this appointment.

Dr. Peotto has taught in the Department as a contract lecturer for a number of years, and he continues to work on research projects collaboratively with Lakehead faculty members. This appointment as an external adjunct would also allow him to be involved in the Department's MA program.

Please let me know if I can provide any additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael D. Stevenson".
