Rationale The department is noting our course categories in the Calendar Listings, instead of on the information page to help students identify the required courses at each year level, and has changed the previous Group A and B Women's Studies to 1 and 2 to avoid confusion when the University implements Groups A-D. We are also making our pre-requisites consistent in Core Courses at each year level.	Rationale The department is noting our course categories in the Calendar Listings, instead of on the information page to help students identify the required courses at each year level, and has changed the previous Group A and B Women's Studies to 1 and 2 to avoid confusion when the University implements Groups A-D. We are also making our pre-requisites consistent in Core Courses at each year level. This is an elective course for students in the MA Social Justice Studies; the new cross-list reflects the program proposal.
