Re: Dr. Kevin Willison: Chair's Recommendation for External Adjunct Status to the Department of Sociology

Dear Betsy Birmingham,

Dr. Kevin Willison has applied to renew his external adjunct status with the department of Sociology here at Lakehead University, since he started in 2016 and it expires in 2020. Hence, we request his renewal as external adjunct for another 4 year term, running from 2020-2024. I raised his request at a recent departmental meeting and our membership unanimously supported this.

As you can see from Dr. Willison's CV (attached), he has been quite active in research and teaching, and is a major asset to our department. We hope faculty council agrees to renew his adjunct position with us for another 4 years.

Sincerely,
