Re: Renewal of Dr. Jenny Roth as Internal Adjunct to the Department of English

At its Department meeting on September 4, 2014, the Department of English voted to renew Dr. Jenny Roth's appointment as Internal Adjunct from 1 July 2014 through 30 June 2018. Dr. Roth (Department of Women's Studies) holds a PhD in English, is an active researcher in literary and cultural studies, has served as a second reader for the English MA program, and has served on and chaired English Department committees.

Please find attached her cv, which I have also attached electronically.

Yours,

Doug Ivison
