RE: Appointment of Dr. Linda Rodenburg as External Adjunct Professor

Dear Dr. Birmingham,

At its March 6th Department meeting, the Department of English approved Dr. Linda Rodenburg as an External Adjunct Professor in the Department of English.

Dr. Rodenburg received a PhD in English from the University of Otago in New Zealand in 2011, and has published articles in peer-reviewed journals and publications.

Dr. Rodenburg has taught English courses at the Orillia campus and online since 2006 and has been a valuable member of the English Department during that time. She is also the Director of the Office of Community Engagement and Lifelong Learning. As that role is now a full-time position, Dr. Rodenburg will no longer be teaching for the Department of English but wishes to retain her relationship with the Department. As she will also be applying for SSHRC funding to support her work on community engagement and lifelong learning a formal relationship with the English Department would be valuable.

Please find attached a copy of her CV. If you require any further information, please let me know.

Yours,

Dr. Douglas Ivison
Associate Professor and Chair
