1.	New Course	Environmental Sustainability 4x0x - Honors Thesis in Environmental Sustainability
----	------------	---

**Justification**

INTD 4901 is an alternative for INTD 4010 and 4033 for the Environmental Sustainability programs and is currently listed as part of the Dept. of Interdisciplinary studies calendar. Following the creation of the new department of Sustainability Sciences which houses the Env Sus Majors, we propose to have the general INTD 4901 replaced by a more specific ENSU 4901 (EN SU 4xxx) course for the Env Sus programs.
