Thirty Years of Discussion Papers: 1970-2000

The millenium year marks the thirtieth anniversary of the Department of Economics discussion papers series presented by Lakehead faculty and invited visitors. From 1970 to the end of 2000, 228 discussion papers have been presented. Here we attempt to provide a complete list of these papers. In many cases copies are still available. The asterisk indicates a presentation for which no written version was provided. University or other affiliation of the author(s) appears in brackets.
