WHAT IS THE AWARD?

"The Undergraduate Student Research Awards (USRA) are meant to stimulate your interest in research in the natural sciences and engineering. They are also meant to encourage you to undertake graduate studies and pursue a research career in these fields. If you would like to gain research experience in an academic setting, these awards can provide you with financial support through your host university. NSERC encourages qualified Aboriginal students to apply to this program."

HOW ARE STUDENTS SELECTED?

"When selecting students for awards, the university will assess the merit of each application on the basis of the student's academic record and research aptitude."
